

# Directions for Zoom Backgrounds

1. Download the background you wish to use.
2. Open Zoom and sign in.
3. Click your profile picture, then click on Settings.
4. In the left menu bar, click on the Virtual Background tab (if you don't see this tab, log in to the Zoom website, go to Settings and toggle on Virtual Background).
5. In the Virtual Background tab, select one of Zoom's defaults or upload your own image.
6. If you have a green screen set-up, you can select that option.
7. To add the Apple Crunch background click the + icon to upload from your computer.
8. Make sure to uncheck the "mirror my video" box so the words are in the proper orientation.
9. Enjoy your new snazzy Great Apple Crunch Zoom background!
