# CENTRAL ILLINOIS FARM TO SCHOOL BOOT CAMP

**Oct 15, 2019**

**Parkland College – Champaign, IL**

Hello Farmers!

We have a unique opportunity to share with you.

Over 50 food service personnel and administrators from local schools are attending our Boot Camp on October 15th. They will be spending the day learning how to work with local farmers and incorporate fresh and local food into their food service programs.

After we get them excited about making a farm to school connection, we would like to connect them to YOU!

Please come to our happy hour event at Fowler Farm to meet these eager and knowledgeable potential customers! We will also have Illinois politicians, other stakeholders and the media present to further promote Farm to School and the local farmers who make it possible.

**Happy Hour at Fowler Farm**

**Tuesday, Oct 15, 3-5pm**

**3004 N Rising Rd—Champaign, IL**

**Drinks provided—Food truck on-site for individual purchases**
